

Scholarship Policies

Boys & Girls Club of Benton County is committed to providing quality programming that is affordable and accessible to all families. Scholarships are awarded on an as-need basis. Even if you may be eligible by our standards to qualify for a scholarship, funds are limited and may no longer be available. For questions regarding scholarships, please email membership@bgcbentoncounty.org. If any portion of your scholarship application is incomplete, it will cause a delay in processing your application and/or may affect your eligibility. The following policies apply to all scholarships:
