

We want to make this event as fun as possible! But we also want everyone to feel secure in their safety. Here are some of the precautions we are taking and/or recommend:

Masks:

If you are unvaccinated, a mask is required.

If you are vaccinated, masks are still encouraged.

All serving staff and volunteers will be masked.

Masks will be provided in case you have forgotten one or decide you would like to wear one.

Social Distancing:

We will be well under capacity for the venue, so there will be plenty of space for social distancing. You may choose to stay to those that are already in your bubble or speak to those outside of your bubble at a distance that makes you feel comfortable.

Venue:

This will be an indoor/outdoor event.

This space is extremely well-ventilated.

There will be multiple hand-sanitizing stations.

We will be well under capacity for the venue with plenty of space for social distancing practices.

Touchless garbage cans will be provided.

Other best practices:

We encourage you to purchase tickets in advance to utilize a touchless payment method.

For whiskey/wine pulls we will have touchless payment methods available.
